

**Three Seas Business Council (TSBC)
Exclusive Side Event Dubrovnik, 28–29 April 2026**

Title: Three Seas Business Council Exclusive Sessions – By Invitation Only

Description: The Three Seas Business Council invites a select group of high-level decision-makers, investors, policymakers, and industry leaders to an exclusive series of discussion and networking sessions held alongside the official 3SI Summit and Business Forum. These closed-door, high-impact discussions offer a unique opportunity to engage directly with key partners, explore concrete investment opportunities, and shape strategic partnerships in the Three Seas region. All sessions are conducted in English and designed to complement the main Business Forum programme.

Venue: Private meeting room (theatre-style, capacity ~30) at the official 3SI Summit & Business Forum venue

Why attend?

- Intimate setting (max 30 participants)
- Direct access to high-profile speakers and decision-makers
- Focused B2B matchmaking and CPPA signing ceremonies
- Exclusive networking with transatlantic, regional, and emerging-market leaders

Session Titles & Short Descriptions

Session 1 – Partner: Google Cloud – “AI and Cloud Innovation: The Engine Driving Three Seas Digital Sovereignty and Capital Attraction” - Speakers will discuss concrete opportunities for digital infrastructure investment, data-center development, AI-driven industry transformation, and cybersecurity in the CEE region. The session will focus on practical ways Google Cloud can support TSBC as the region's premier business-investment hub, creating new cross-border partnerships and unlocking billions in private capital for high-impact projects in digital transformation, sustainable energy optimisation, and smart infrastructure – Marcin Krasuski – Head of CEE Government Affairs and Public Policy Google Cloud.

**Session 2 - Partner: ABBA – Belarusian Business in Exile
“Belarusian Business in Exile: Forging New Partnerships and Investment Opportunities Across the Three Seas Region”**

Focus: international conference segment, promotion of Belarusian business, and strategic B2B matchmaking with CEE companies. Management Board of ABBA, Belarusian Business representatives. Thousands of businesses had to leave Belarus after the 2020 turmoil, and they started to invest in the EU. The session will bring representatives of ABBA and fair relocated Belarusian businesses to showcase the size, impact, and sectors of interest of the Belarusian diaspora in the EU. They will discuss how to utilise their potential for the 3 Seas Region. Strategic B2B matchmaking event with relocated Belarusian and CEE companies will follow the session.

Session 3 – Energy Transformation

Representatives of **MOL** and **Synthos Green Energy (SGE)**

“Securing Energy Independence in the Three Seas: Innovation, Diversification and Cross-Border Partnerships”

This high-level discussion will explore practical pathways to achieve full energy independence in the Three Seas region through technological innovation, supply diversification, and cross-border infrastructure projects. Speakers will highlight real investment opportunities in nuclear, hydrogen, gas infrastructure,

Session 4 – TSBC co-organised with Atlantic Council

“The Three Seas Initiative as Europe’s Strategic Backbone: Geopolitics, Security and Economic Sovereignty in a Multipolar World”

The discussion will focus on actionable strategies to attract international capital, deepen transatlantic cooperation, and position TSBC as the region's business-investment hub for long-term strategic autonomy. Speakers will explore how enhanced geopolitical resilience, energy and supply-chain security, and economic sovereignty can strengthen the region's position.

Session 5 – Three Seas Business & Investment Hub – TSBC

“Unlocking the Three Seas Investment Horizon: Transatlantic Capital Strategies for Regional Resilience and Growth”

With a special keynote speech of Georgette Mosbacher former Ambassador of US to Poland, Chairperson of Strategic Advisory Board TSBC – **Fireside Chats**; different perspectives on the investments in the Three Seas Region.
